FBI FOIPA Addendum

As referenced in our letter, the FBI FOIPA Addendum includes information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. If you submitted a request regarding yourself or another person, Part 2 includes additional standard responses that apply to requests for individuals. If you have questions regarding the standard responses in Parts 1 or 2, visit the www.fbi.gov/foia website under “Contact Us.” Previously mentioned appeal and dispute resolution services are also available. Part 3 includes general information about FBI records that you may find useful.

Part 1: Standard Responses to All Requests: See Below for all Requests

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the Freedom of Information Act (FOIA). See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). FBI responses are limited to those records subject to the requirements of the FOIA. Additional information about the FBI and the FOIPA can be found on the fbi.gov website.
- (ii) **National Security/Intelligence Records.** The FBI can neither confirm nor deny the existence of national security and foreign intelligence records pursuant to FOIA exemptions (b)(1) and (b)(3) and PA exemption (j)(2) as applicable to requests for records about individuals [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2); 50 U.S.C. § 3024(i)(1)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3); 50 USC § 3024(i)(1). This is a standard response and should not be read to indicate that national security or foreign intelligence records do or do not exist.

Part 2: Standard Responses to Requests for Individuals: See Below for all Requests for Individuals

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E) and (b)(7)(F) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching those systems or locations where responsive records would reasonably be found. Most requests are satisfied by searching the Central Record System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled and maintained by the FBI in the course of fulfilling its dual law enforcement and intelligence mission as well as the performance of agency administrative and personnel functions. The CRS spans the entire FBI organization and encompasses the records of FBI Headquarters (“FBIHQ”), FBI Field Offices, and FBI Legal Attaché Offices (“Legats”) worldwide. A CRS search includes Electronic Surveillance (ELSUR) records.
- (ii) **FBI Records**
Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or “Rap Sheets.”** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks –often referred to as a criminal history record or “rap sheets.” These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **The National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private citizens cannot request a name check.

Interviews

Mr. HOMER HECK, Production Manager, National Broadcasting Company, Merchandise Mart Building, Chicago, advised on December 1, 1949 that he has known RICHARD DURHAM off and on for the past five years, and had worked very closely with him during the past two years since he returned to the National Broadcasting Company. HECK stated that from the conversations he had had with DURHAM, he had formed the impression that DURHAM's family while living in Mississippi during his youth were a little better off than the average negro family in the community, and for that reason was the point of discussion in any issue or trouble that developed along racial lines. HECK stated that he believed the DURHAM farm was burned out, cause unknown, and that subsequently the family moved to Chicago. He stated that DURHAM is extremely conscientious of equal rights, opportunities, and privileges for the negro people. He advised that because of DURHAM's zealous attitude toward racial equality and his outspoken opinion in this regard, he at one time thought that DURHAM was sympathetic to the Communist Cause, but that subsequently he had changed his opinion. HECK stated he had questioned DURHAM directly concerning any connection he might have with the Communist Party, and DURHAM had told him positively that he was not a member of the Communist Party nor was he affiliated with any of the organizations supported by the Communist Party. HECK related that although DURHAM's pursuit regarding the equality of the negro in the United States ran parallel with that of the Communist Party line, he did not think that DURHAM agreed with other issues which the Communist Party promoted. HECK related that he did not think DURHAM was a member of the Communist Party.

CHARLES P. BROWNING, Executive Assistant to the Publisher, Chicago Defender, advised on December 2, 1949 that he had worked very closely with DURHAM during his, DURHAM's, employment with the Chicago Defender. BROWNING stated that he considered DURHAM a very capable writer, but that because of his attitude and actions it was necessary for the Chicago Defender to fire him. BROWNING related that while DURHAM was employed by the Chicago Defender, he had a feeling DURHAM was following the Communist

~~CONFIDENTIAL~~

Chicago File 100-18662

Party line not because of any open commitment on the part of DURHAM, but because of DURHAM's opinions and actions as unit chairman of the Chicago Newspaper Guild. Regarding these actions, BROWNING related that DURHAM was against the established procedure in running a newspaper in that he did not think it necessary to have copy in on time, to have regular hours of employment, or to conform with other regulations which are so important to the efficient running of a newspaper. DURHAM, according to BROWNING, represents the Chicago Defender employees in his position as union chairman to the Chicago Newspaper Guild, and that his uncompromising attitude during the labor conferences regarding problems of a relative trivial importance, was one of his reasons for believing that DURHAM had a tendency to follow the Communist Party line, inasmuch as he followed the same course and procedure regarding tactics as other known Communist Party members, which BROWNING had observed and been associated with in his official capacity as Executive Assistant to the Publisher of the Chicago Defender. BROWNING related that he could not recall any specific remarks or statements made by DURHAM regarding his leaning, but that DURHAM generally would put too much emphasis on articles which would incite the negro people and also whenever an international issue was the subject matter of one of DURHAM's articles, he would color said article in favor of Russia or a Russian dignitary, whichever the case may be. BROWNING advised he had talked at length with DURHAM regarding his attitude toward the Chicago Defender's established rules and regulations, but that it finally became necessary to discharge DURHAM for the following reasons:

- "1. His consistant tardiness as verified by time cards.
2. His refusal to obey shop rules as verified by such records.
3. His failure to observe deadlines and follow a schedule in submitting copy."

LESTER B. BRIDHAM, Secretary of the Art Institute of Chicago, Michigan Avenue and Monroe Street, advised on January 9, 1949 he had been acquainted with RICHARD DURHAM for approximately two years from 1940 to 1942, while DURHAM was writing scripts concerning artists and art subjects, which were

~~CONFIDENTIAL~~

cast on a local Chicago radio station and which were sponsored by the Illinois Writers Project, which was under the Works Project Administration. BRIDHAM stated that he considered DURHAM an unusually good writer, with an excellent style, but that he knew nothing of his personal philosophy. BRIDHAM stated that he knew of no organizations of which DURHAM was a member during the time he worked in the Art Institute, and had no reason to doubt his loyalty.

JESSIE GRIEGLY, Secretary to the General Manager, Station WJJD, 230 North Michigan Boulevard, Chicago, advised that the radio show "Here Comes Tomorrow", which was sponsored by the Metropolitan Life Insurance Company, was cast over radio station WJJD from September 1, 1947 to January 2, 1948, but that none of the cast or writers on said show were employed by WJJD. Mrs. GRIEGLY stated that she recalled RICHARD DURHAM as a script writer for said show, but could furnish no information concerning him.

JOSEPH GUYNES, 6204 South Parkway, apartment 26, advised that he was formerly a janitor of the apartment building in which DURHAM presently resides, and that he has known DURHAM for approximately six years. Mr. GUYNES stated that DURHAM was a writer and that he was up until all hours of the night typing. He related that in addition to his writing job, he was connected with some sort of organization which had to do with rent control, and that meetings of this organization were held both in the DURHAM residence, and also in the apartment of one of DURHAM's neighbors, whose name was BARNETT or BENNETT. He stated that the apartment number of BARNETT or BENNETT was either apartment number 25 or 27, 6204 South Parkway.

(U) In this connection, it should be noted that [confidential informant T-5, of known reliability, advised on July 17, 1946] that CRETORIA BARNETT was assisting a team of Communist Party members of the South Side Section of the Communist Party in campaigning for funds in connection with a financial drive of the Party.

(U) [Confidential informant T-6, of known reliability, advised on June 14, 1949] that GERALDINE LIGHTFOOT had told him she was attending a meeting that

(U) The records of [confidential informant T-7] an agency which conducts security investigations in the Chicago area, were checked on January 12, 1950, but no information was located which has not already been reported on previous pages of this report.

There was no indication during a review of subject file or through active investigation that RICHARD DURHAM ever resided at 6149 Evans Avenue; however, Chicago file number 100-15263 reveals that GLADYS DURHAM has been known to reside at 6149 Evans Avenue since 1944, and that she is presently residing at this address. Chicago file number 100-15263 does not reflect that GLADYS DURHAM was ever married to RICHARD DURHAM or had any close association with him other than the fact that they attended the same 6th Ward Club meetings.

It should be pointed out that on November 30, 1944, confidential informant T-6 advised that GLADYS DURHAM had become the wife of one, JESSIE RICHARDS, who is employed at the Miller and Hart Packing Company, 4600 Packers Avenue, and who was Press Director and member of the 6th Ward, Communist Political Association.

A clipping from "The Worker" dated June 18, 1950, page 1, columns 4 and 5, captioned "White Sox Presented with Negro Ace Ball Players as Prospects".

The article states that the DuSable Worker has received letters from its readers and other people interested in ending White Sox Jimcrow.

"Typical of these expressions of support is one from the popular Negro radio writer and journalist, RICHARD DURHAM, 'If the Sox were free from its Bilbo-Rankin white supremacy policy they would have long ago hired Negro baseball players,' wrote DURHAM, 'both from a domestic minded as well as from a financial point of view. Some action is needed as in New York in the case of Brooklyn, to end the Sox's barbarous practice against the Negro people.'"

Interviews with Former Employers

HOMER HECK
Production Manager
National Broadcasting Company
Merchandise Mart Building
Chicago, Illinois

Mr. HECK advised SA WELFORD E. GARNER on December 1, 1949, that he has known RICHARD DURHAM off and on for the past five years, and had worked very closely with him during the past two years since he returned to the National Broadcasting Company. HECK stated that from the conversations he had had with DURHAM, he had formed the impression that DURHAM's family, while living in Mississippi during his youth, were a little better off than the average Negro family in the community, and for

~~CONFIDENTIAL~~

that reason was the point of discussion in any issue or trouble that developed along racial lines. HECK stated that he believed the DURHAM farm was burned out, cause unknown, and that subsequently the family moved to Chicago. He stated that DURHAM is extremely conscientious of equal rights, opportunities, and privileges for the Negro people. He advised that because of DURHAM's zealous attitude toward racial equality and his outspoken opinion in this regard, he at one time thought that DURHAM was sympathetic to the Communist cause, but that subsequently he had changed his opinion. HECK stated he had questioned DURHAM directly concerning any connection he might have with the Communist Party, and DURHAM had told him positively that he was not a member of the Communist Party, nor was he affiliated with any of the organizations supported by the Communist Party. HECK related that although DURHAM's pursuit regarding the equality of the Negro in the United States ran parallel with that of the Communist Party line, he did not think that DURHAM agreed with other issues which the Communist Party promoted. HECK related that he did not think DURHAM was a member of the Communist Party.

(U) T-2, supra } x

This informant advised on December 1, 1949, that he had worked very closely with DURHAM during his, DURHAM's, employment with the "Chicago Defender". The informant stated that he considered DURHAM a very capable writer, but that because of his attitude and actions, it was necessary for the "Chicago Defender" to fire him. He related that while DURHAM was employed by the "Chicago Defender", he had a feeling DURHAM was following the Communist Party line not because of any open commitment on the part of DURHAM, but because of DURHAM's opinions and actions as unit chairman of the Chicago Newspaper Guild. Regarding these actions, the informant related that DURHAM was against the established procedure in running a newspaper in that he did not think it necessary to have copy in on time, to have regular hours of employment, or to conform with other regulations which are so important to the efficient running of a newspaper. DURHAM, according to the informant, represented the "Chicago Defender" employees in his position as union chairman to the Chicago Newspaper Guild, and that his uncompromising attitude during the labor conferences regarding problems of a relatively trivial importance, was one of his reasons for believing that DURHAM had a tendency to follow the Communist Party line, inasmuch as he followed the same course and procedure regarding tactics as other known Communist Party members, which the informant had observed and been associated with in his official capacity as Executive

Assistant to the Publisher of the "Chicago Defender". The informant related that he could not recall any specific remarks or statements made by DURHAM regarding his leaning, but that DURHAM generally would put too much emphasis on articles which would incite the Negro people and also whenever an international issue was the subject matter of one of DURHAM's articles, he would color said article in favor of Russia or a Russian dignitary, whichever the case may be.

JESSIE GRIEGLY
Secretary to the General Manager
Station WJJD
230 North Michigan Boulevard
Chicago, Illinois

Mrs. GRIEGLY advised SA WELFORD E. GARNER in December, 1949, that the radio show, "Here Comes Tomorrow", which was sponsored by the Metropolitan Life Insurance Company, was cast over radio station WJJD from September 1, 1947, to January 2, 1948, but that none of the cast or writers on said show were employed by WJJD. Mrs. GRIEGLY stated that she recalled RICHARD DURHAM as a script writer for said show, but could furnish no information concerning him.

Other Activities

A clipping from the "Packinghouse Worker" dated November, 1952, page 5, column 1, states that the "Packinghouse Worker" aids in the publication of United Packinghouse Workers of America material, interprets union policy and program for the press, radio and public. NORMAN DOLNICK is Department Director, aided by RICHARD DURHAM and Mrs. BEVERLY ADAMS.

(U) T-34, of unknown reliability, but who holds a responsible position, furnished information to the New Orleans Division on March 27, 1953, which contained a four page memorandum entitled "UPWA Not to Play Dead for Undertaker EISENHOWER", dated March 23, 1953. This memorandum was directed to field representatives and district directors from RICHARD DURHAM. It was captioned "Staff School Recommendations". Some of the recommendations are as follows:

1. That the UPWA Executive Board go on record to stop the war in Korea by exchanging prisoners in accordance with the Geneva Agreement.

CG 100-18662

2. That it should be the policy of the UPWA to support every member in his right to invoke the 5th Amendment when called before the House Un-American Activities Committee, or any grant jury attacking his civil rights.

3. That UPWA Anti-Discrimination be administered and enforced without reservation.

A clipping from "The Champion", April, 1953, page 7, column 1, captioned "New Coordinator Program Set Up," is quoted in part as follows: "A new method of operation has been adopted by the International Executive Board of UPWA. It is the coordinator program designed to take the resolutions and policies of our union off of paper and get them into dynamic action.

"Under the joint supervision of Vice-President RUSSELL R. LASLEY and A. T. STEPHENS the coordinator program is headed by well known Chicago writer RICHARD DURHAM who has proved his trade union ability under fire in numerous UPWA battles across the country."

[T-35, of known reliability]

This informant advised on January 13, 1954, that the "Packing-house Worker" of December, 1953, on the back page thereof, contained subject data together with the information as to the department in which each officer or employee worked. He stated that RICHARD DURHAM and MARTHA HOLMGREN worked in the Program Department, International Office, DURHAM being head of that department.

Civil Rights Congress (CRC)

The Civil Rights Congress has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

T-2, who has furnished reliable information in the past, advised on October 6, 1954, that DOMER was in attendance at the CLAUDE LIGHTFOOT Rally, held Sunday, October 3, 1954, at 53rd and South Parkway, Chicago. PAUL ROBESON, and CLAUDE LIGHTFOOT were featured speakers at the Rally. The Rally was sponsored by the CRC of Illinois.

CLAUDE LIGHTFOOT was tried in Federal District Court in Chicago, Illinois, for violation of the Smith Act of 1940. On January 26, 1955, he was found guilty, and on February 14, 1955, was sentenced to the custody of the Attorney General of the United States for a period of five years, and fined \$5,000.00.

The July 15, 1949 edition of the "Washington Times Herald", Washington, D.C., newspaper, carried an article entitled "Trotsky Told Robeson is Veteran Red". This article reflects that MANNING JOHNSON, an ex-CP leader told a Committee of Congress on July 14, 1949, that PAUL ROBESON has been a member of the CP for many years. JOHNSON said that he has met ROBESON frequently at the CP Headquarters in New York City. JOHNSON also mentioned that EARL BROWDER, WILLIAM Z. FOSTER, JACOB STERN, and others, are leading Communists.

The Communist Party has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

"Daily Worker"

The "Daily Worker" is an English language Communist newspaper.

The following organizations, mentioned in this report, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

Communist Party, USA (CP)

Communist Political Association (CPA)

(U) I. BACKGROUND

Residence

On November 28, 1956, Mrs. WALTER GAULIAN, 6063 South Harper Avenue, Chicago, Illinois, advised SA JAMES E. CALLAHAN, JR., that DURHAM resides at 6059 South Harper Avenue, Chicago.

Employment

(U) [On September 18, 1956, T-1 advised] that RICHARD DURHAM is Program Department Director (National Program Coordinator) of the United Packinghouse Workers of America (UPWA), AFL-CIO, 608 South Dearborn Street, Chicago.

(U) [On November 28, 1956, T-2 advised] that DURHAM continues his employment at UPWA, AFL-CIO.

Criminal

On November 30, 1956, Officer DAVID MULCHRONE checked the files of the Chicago Police Department, Bureau of Records and Communications, and advised SA JAMES E. CALLAHAN, JR., that there was no record identifiable with the subject.

II. CONNECTIONS WITH THE CP

(U) In February, 1955, a high-level meeting of the Illinois-Indiana District, CP, was held in Chicago, during which negotiations in the packing unions were discussed. The Communists are worried about what they call left-sectarian errors, that is, the fact that some Negroes are overestimating the strength of the Negro in the UPWA-CIO and this strength will be considerably lessened in the (X)

(U)
CG 100-18662

event of a merger. Among those desiring to fight for full citizenship of the "left" in the merged union is DICK DURHAM. X

(U) (U) [(T-3 - 3/3/55)] X

During July, 1955, the national CP faction in packing met in Chicago. Among those in attendance was DICK DURHAM. It was learned that the CP leaders in packing led by DURHAM and SAM PARKS were out to "get" JESSE PROSTEN, who is accused of white chauvinism and social democratic tendencies. X

(U) [(T-3 - 7/15/55)] X

During September, 1955, a meeting was held and attended by some of the Illinois-Indiana District, CP, leadership, including DICK DURHAM, in an attempt to resolve the differences between DURHAM and JESSE PROSTEN. No settlement was reached and another meeting would be required for this purpose. X

(U) (U) [(T-3 - 9/12/55)] X

(U) In October, 1955, a high-level meeting of the Illinois-Indiana District, CP, was held in Chicago. Among those present by invitation was RICHARD DURHAM. At this meeting, the sole topic of discussion was the packing industry and DURHAM fell in line with Party policy as regards this industry. X

(U) [(T-3 - 11/9/55)] X

(U) During November, 1955, a meeting was held and attended by some of the Illinois-Indiana District, CP, leadership. Also in attendance were JESSE PROSTEN and DICK DURHAM. The purpose of this meeting was to attempt to settle the differences which exist between PROSTEN and DURHAM. PROSTEN and DURHAM were calling each other liars and another meeting would be required to resolve this problem. X

(U) [(T-3 - 11/3/55)] X

(U) A high-level conference of the Illinois-Indiana District, CP, was held in November, 1955, in Chicago. It X

(U) CG 100-18662

was learned at this meeting, that the fight between JESSE PROSTEN and DURHAM was evaluated and it was decided that DURHAM was justified in his fight against PROSTEN. It was pointed out that the white Communists, just as the white officials in UPWA - CIO, have overestimated the Negroes in their alliance. It was also pointed out that of the ten departments in UPWA - CIO, only one is headed by a Negro and DURHAM is afraid that if this situation is not exposed, he will lose his position after the CIO-AFL merger. X

(U) [(T-3 - 11/28/55)] X

(U) RICHARD DURHAM, a leading CP member in the packing industry in Chicago, was scheduled to be in New York in early December, 1955, for a conference with HAL SIMON, National Labor Secretary of the CP. X

(U) [(T-3 - 11/29/55)] X

(U) In December, 1955, a high-level meeting of the Illinois-Indiana District of the CP was held in the Chicago area. The chief point of discussion was the proposed amalgamation of UPWA - CIO with the Amalgamated Meat Cutters and Butcher Workmen of North America (AMCBWNA) - AFL. It was reported at this meeting that CHARLES HAYES and DICK DURHAM, who are considered the key Party people in UPWA - CIO, have spearheaded negotiations within UPWA for positions in the merged union. X

(U) [(T-3 - 12/23/55)] X

(U) In January, 1956, CLAUDE LIGHTFOOT had spent the better part of a day with SAM PARKS and DICK DURHAM, who raised several complaints about the methods of work of SAM KUSHNER, who is in charge of trade-union activities in the Illinois-Indiana District, CP. X

(U) [(T-3 - 1/12/56)] X

(U) It is to be noted that CLAUDE LIGHTFOOT is the Chairman of the Illinois-Indiana District of the CP, convicted in U.S. District Court, Chicago, under the membership clause of the Smith Act of 1940. X

(U)

In June, 1956, a meeting of the National Packing Commission of the CP met in Chicago. This meeting was called to review the work of the CP in the Packinghouse Workers Union in preparation for its merger of the AMCEWNA - AFL. Among those in attendance at this meeting was DICK DURHAM. For sometime there have been sharp differences between JESSE PROSTEN and DICK DURHAM, who has been charged by the Party with being too sectarian and sometimes leaning in the direction of Negro nationalism. Both PROSTEN and DURHAM admitted mistakes and agreed that they must work together. X

[T-3 - 6/14/56] X

(U)

(U)

A high-level meeting of the Illinois-Indiana District, CP, was held in July, 1956, in Chicago. In addition to members of the District Board, there were several invited guests, among whom was RICHARD DURHAM. DURHAM was invited because the merger of the AFL-CIO Unions in the packing industry was a topic on the agenda. X

(U)

[T-3 - 7/14/56] X

(U)

In October, 1956, it was learned that SAM PARKS and LOU DISKIN, Chairman and Organizational Secretary of the Packing Division, Illinois-Indiana District, CP, have been removed and replaced by WARDELL HAYWOOD and DICK DURHAM, respectively. This is believed to be a very deliberate and conscious move. HAYWOOD and DURHAM want to guarantee their positions in the union and utilize the Party for their own benefit inside the union. X

(U)

[T-3 - 10/20/56] X

II. MISCELLANEOUS

Communist Political Association (CPA)

In 1944 a souvenir program was issued concerning a benefit recital sponsored by the South Side Council of the CPA held on December 10, 1944, at the Metropolitan Community Church, 4100 South Parkway, Chicago. This program contained a section expressing "good wishes" from a group of "Chicago Defender" employees. Among these employees was RICHARD DURHAM. The "Chicago Defender" was at that time a Negro weekly newspaper.

Careful consideration has been given to each source concealed and T symbols were utilized in this report only in those instances where the identities of the sources must be concealed.

DURHAM's Security Index card has been reviewed and is correct and up to date.

DURHAM's file has been reviewed and he meets the criteria for the Security Index.

Inasmuch as DURHAM has recently assumed the position of Organizational Secretary of the Packing Division of the Illinois-Indiana District, CP, and since he has been reported to be an intense Negro nationalist with great dislike for whites in general, it is felt that any attempt to interview him at this time would serve no useful purpose. It is also felt that due to his union position, his background as a journalist, and his access to "The Packinghouse Worker," a national trade publication, such an interview might result in embarrassment to the Bureau. ~~X~~

The student who is applying for a loan must be a member of the Division of Student Finance, he will be given a form which can be filled out by two sponsors. One of the sponsors should be a parent (or guardian) of the borrower, the other sponsor should be a business friend, or a relative, from the borrower's home town. Persons whose themselves have been in the business, tradespeople or others reluctant to sponsor customers or clients, and persons who already stand sponsor for several borrowers, are not acceptable. The sponsor accepts no legal responsibility. He, however, agrees to cooperate with the University and the borrower until the obligation has been repaid in full.

The two signed sponsor sheets must be delivered to the Division of Student Finance when the loan application is filed. After the student has filled out the Loan Application blank, and has secured the signatures of his two sponsors, his blank should be left with the Division of Student Finance.

Three days before the bill is due which the loan is to apply towards, the student returns to the Division of Student Finance. At this time the notes covering the terms of the loan which has been granted, are signed. The three copies of the University bill upon which the loan is to apply, the signed note, and any necessary cash for the balance due on this bill, are then deposited with the Cashier's office.

Northwestern University is anxious to extend all possible assistance to, deserving young people who must help support themselves while in college. However, the student loan funds are limited and must be stretched so as to make a college education possible to the greatest number of worthy students who are in financial straits. Students making loans assume serious obligations which they must be fully prepared to meet. It should be understood that unless funds are repaid promptly and at the time agreed upon, the student loan funds will be decreased and future students equally in need cannot be accommodated.

The staff of the Division of Student Finance will be happy to answer any further questions you may have concerning the Student Loan Funds.

In making this application I fully realize my responsibility to repay this loan in accordance with the conditions on the note which I am to sign.

London Richard Durham

C.O. Chicago

For the Bureau's information and in connection with the FD-122 submitted on April 23, 1957, reflecting that captioned individual was unemployed, DURHAM was more or less forced to resign by United Packinghouse Workers of America (UPWA) officials and, according to information received from [REDACTED] his job and the department he headed in the UPWA's International Office, have been eliminated. Said Confidential Source stated DURHAM had incurred the displeasure of ANTHONY T. STEPHENS, UPWA International Vice-President and Director of Organization, by his efforts to build a personal following among Negro UPWA personnel and members. Other informants have advised that DURHAM had been using the Negro question for his personal advantage.

b7D

Numerous informants and sources have been alerted to advise of any new employment on the part of the subject but no information indicating he has a new job has been forthcoming.

[REDACTED] and [REDACTED] have reported that DURHAM recently received \$3,000.00 to \$5,000.00 in settlement of his suit for \$100,000.00 filed against one of the major broadcasting companies for the unauthorized use of some of his writings. ~~C~~

Office Memorandum • UNITED STATES GOVERNMENT

TO : DIRECTOR, FBI (100-367649)

DATE: August 7, 1957

FROM : SAC, CHICAGO (100-18662)

SUBJECT: ISADORE MICHAEL DUBEAU, wa.
IS-C

~~CLASS. BY SP10/Skyline~~
~~11-5-82~~

Enclosed are four copies of the report of SA ROBERT W. VANDERHOVEN dated and captioned as above at Chicago, together with four copies of a reliability memo.

ADMINISTRATIVE

DUBEAU's file has been reviewed, and he is being retained on the Security Index inasmuch as information developed against him meets the criteria of SAC letter 55-30 dated April 12, 1955.

FD-122 is being submitted reflecting DUBEAU's new employment, making his SI card current and accurate.

A suitable photograph of the subject is available in the Chicago Office.

It had been reliably reported in the recent past that DUBEAU's difficulties in the CP have derived from his anti-white policy, and that subject was closely allied with ~~WILLIAM W. LOOD~~, Chairman of the Foster Division, Illinois-Indiana District CP, who was reliably reported to be a Negro supremacist and anti-FBI.

Until it is definitely determined in the near future that DUBEAU's party position will be, he will not be interviewed.

The enclosed report has been classified confidential because it contains information of a security nature, unauthorized disclosure of which would jeopardize the internal security of the United States. This consideration has been given to each source concealed, and the whole was classified in this report only in those instances where the identities of the source must be concealed.

[redacted] a Confidential Source of Information formerly of Chicago but who presently resides and works in Kansas City, Missouri, telephonically contacted the Chicago Office on 7/29/57, explained he was in Chicago on business, was returning to Kansas City later in the day but that he had obtained some information in Chicago relating to the Communist infiltration of the UPWA which he desired to impart in person prior to his return to Kansas City. He said he preferred not to come to the Chicago Office. [redacted] was accordingly interviewed by SA GROVER C. THOMPSON in the former's automobile on the lake front on the afternoon of 7/29/57. Information regarding himself consisted of the following data:

b7D

[redacted] continues his employment as [redacted] representative for the [redacted] in Kansas [redacted] and continues to reside in his apartment [redacted] in the same city. He has no knowledge of subversive activities in the Kansas City area and does not desire to interest himself in such activities in view of his position with [redacted]. He would not desire to testify nor have his name used in the open and desires that any information imparted by him be accepted in confidence.

b7D

During his current trip to Chicago, he looked up OSCAR BROWN, JR., and RICHARD DURHAM, both of whom he has known for years. He himself at one time was BROWN's script writer when the latter had his radio program. He knows SAM PARKS, but did not look him up because they never did get along too well. Both BROWN and DURHAM were advised several years ago by [redacted] that he had been interviewed by the FBI, that he did not regret it, but that he preferred that they not learn of his present contact with the Bureau. BROWN and DURHAM were told by him several years ago that the Communist Party (CP) was not out to help the Negro people, but was only using them, that he had learned such was true and that they, too, would learn it some of these days.

b7D

CG 100-17878
CG 100-18662
CG 100-13086

[redacted] in his separate conversations with DURHAM and BROWN, obtained the following information from these two individuals:

DURHAM and BROWN, in performing their UPWA duties (National Program Co-Ordinator and District 1 Co-Ordinator, respectively), were intent on advancing the interest of the Negro people and assumed the CP would back them in their efforts to do so. BROWN wrote a paper in early 1957 on the race problem which CLAUDE LIGHTFOOT and RAY TILLMAN (CP leaders in Chicago) did not like. In the meantime, DURHAM and BROWN had incurred the displeasure of ANTHONY STEPHENS (Director of Organization of the UPWA) and other UPWA officers by their activities on the racial problem and were forced to resign from the UPWA. The CP leadership at Chicago made no effort to intervene in their behalf. SAM PARKS' acceptance of money totalling over \$3,000 from a lawyer to whom he had referred UPWA members needing legal services became known and he was fired with the result that the Party had become unhappy with him.

DURHAM and BROWN hate RAY TILLMAN with a passion, consider CLAUDE LIGHTFOOT a "weakling" and CHARLES HAYES (UPWA District 1 Director) to be "stupid".

DURHAM (an excellent writer, according to [redacted]) is no longer in the CP and is very bitter toward it because he is convinced the Party is out only to use the Negro people to its own advantage. He is likewise very disgusted with himself for not becoming aware of the real intention of the CP in this respect a long time ago. DURHAM has no steady job, but is doing a little free lance writing. Right after being forced out of the UPWA, he tried to obtain a writing job with some "left wing" group, but was turned down and is convinced the Party was in back of it. He is also afraid to seek a writing job with a "legitimate employer for fear the CP would anonymously advise such employer of his CP background." DURHAM and his wife own their home and are paying on it and are "hard put" on the financial side.

CG 100-17878
CG 100-18662
CG 100-13086

[] told DURHAM he should go to the FBI and tell what he knows. DURHAM's reply was to the effect that "how do you go about doing such a thing", after which he commented that the last thing he would want would be publicity of any type. DURHAM's wife has been contacted by the FBI (which is true) but was non-committal; however, she, too, is disillusioned but will follow her husband's lead in talking or not talking.

[] stated he feels the Bureau should contact DURHAM but should use the right approach since DURHAM, in addition to being a sensitive man, is very upset over the entire situation and above all DURHAM should not be given the impression that the Bureau would want to "use him".

[] OSCAR BROWN, JR. (a writer and a good one, according to [] is likewise out of the CP, is bitter toward it and is convinced he was used by the Party to its own advantage. He, too, is disgusted with himself that he did not become cognizant of the Party's real intention a long time ago. BROWN's father is wealthy and OSCAR has no financial problems such as DURHAM has. BROWN is taking some courses at Northwestern University in Evanston, Illinois, in the mornings. The FBI has contacted BROWN several times, but BROWN was not too receptive because he felt the Bureau wanted to "use him like the CP had done".

[] stated BROWN is likewise sensitive and should be talked to accordingly in any future contact.

[] stated that neither DURHAM nor BROWN made derogatory remarks about the FBI during his talks with them.

Regarding SAM PARKS, this individual likes to play the "big shot" and in his UPWA job considered he had really "arrived" and had become infallible. He, too, is out of the CP and is unhappy and somewhat bitter but is actually more "shocked and stunned" at the turn of events which have
